

Self Alignment Day

WITH

ABDY

Abdy has an ancient, indescribable gift which allows people to attune to the vibration they need to receive for themselves.

The result is to be harmonized with one's own soul. When the mind is harmonized with the soul, it is aligned in its own path and aligned in universal harmony. Every level of harmony is interrelated and the harmony within unfolds the universe now and forever.

**"There is no name for what you receive."
- Abdy**
