

Costa Rica Retreats 2022-23

DECEMBER 31 2022 - JANUARY 8 2023 & JANUARY 8 2023 - JANUARY 14 2023

I welcome you to join our retreats in Monasterio, Costa Rica. You can join us for either one or both. The first retreat begins by arriving December 31st 2022 and departing January 8th 2023. The second retreat begins by arriving the 8th of January and departing on January 14th 2023.

Monasterio is beyond a place or dimension. It is a portal of connection.

The program of the retreat is to be with nature, in whatever nature brings coupled with moments of connections and realization. Our activities will include sessions, wisdom from the source, personal exchanges or treatments, jungle walks, and playing in pristine rivers and waterfalls.

Exchange:

The cost for the first retreat is US\$1300 and for the second retreat is US\$1100, or US\$2000 for both retreats.

Included in the price is:

- A shared floor beneath you and a roof above you for 8/6 nights (do not expect walls) and meals.
- Pick-up from San Jose airport (SJO) between 9:00am until 3:00pm on December 31st/January 8th
- Drop-off at San Jose airport (SJO) between 10:00am on the 8th/14th of January. If your plane arrives after 2pm or departs before 11:30am you will need to arrange your own accommodation for the night after or before. If you are returning to USA, you should book your return flight after 2pm. So you have enough time to do your covid test the same day.
